

BRIEF ORGANIZATION DESCRIPTION

O.C. Tanner is the world's premier provider of strategic employee recognition solutions, providing award programs to some of the world's most successful companies. Built on a strong foundation of program design, communication, training and measurement, we help managers use recognition to accelerate business results. For 80 years, O.C. Tanner has been an innovative force helping organizations around the world achieve the business benefits of strategic, high-impact recognition.

WORKSHOP TITLE/ DESCRIPTION

Performance Coaching Workshop
How to Build a Culture of Capable & Committed Employees

Leaders are coaches who help their team members improve performance and meet or exceed expectations. Learn how to develop the potential of each team member by explaining expectations, training to those expectations and supporting them. Coaches exist in every walk of life. Your "best coach ever" may have been a great teacher, parent or colleague who helped you overcome hurdles, realize more of your potential and ultimately helped you improve your performance.

LENGTH

- 1/2 day

WHO SHOULD ATTEND

- Operations Management
 - General Managers, Department Managers, Plant Managers
- Operations Staff and Team Leaders
 - Lean managers and team members, Team members of various departments, including Materials, Quality, and Engineering.

LEARNING POINTS

This workshop will help you become a great coach, build relationships between team members and leaders, and create a culture of capable and committed employees.
